

# THE AUSTRALIAN MODEL POWERBOATING ASSOCIATION P

Dear Club Secretaries,

The AMPBA committee has formulated guidelines for the sanction of events so that there is a clear understanding of when & how sanctions will be granted.

- Firstly, all Clubs must submit all applications in writing prior to the AGM so that an AMPBA race calendar can be formulated and presented at the AGM.
- No sanctions will be given for any Oval Race competition approx 30 days prior to, or following the AMPBA Nationals or any other sanctioned Oval Race event.
- All applications for AMPBA National Championships must be received at least 2 months prior to the AGM.
- The title "Nationals" cannot be used in any event other than the annual AMPBA National Championships held in April/May each year.
- The following months will be reserved for sanctions given to specific events;

April/May	AMPBA Australian Nationals
June	NSW Country Championships
October	SA / VIC Championships
November	Hunter Valley Championships
???	NSW Championships

- These months may become available if the **competition is declined** by the Club/State involved.

**Please note:** ALL Open or Invitational National and State Competitions must be sanctioned by the AMPBA Committee. Two Sanctions will not be given on the same weekend.

If you have any questions or concerns please feel free to pass your e-mails to the AMPBA Committee via e-mail at: [alansell@ampba.asn.au](mailto:alansell@ampba.asn.au)

Kind Regards,  
AMPBA Committee
